2026 LIZ HURLEY RIBBON RUN

October 17, Downtown Huntsville

Survivors' Walk: 8 a.m. | 5K: 8:30 a.m.

Thank you for participating in Huntsville Hospital Foundation's 23rd annual Liz Hurley Ribbon Run! Over the course of 23 years, the Liz Hurley Breast Cancer Fund at HHF has raised more than $8.4 million to provide almost all of the diagnostic equipment that is used to detect breast cancer at Huntsville Hospital and Madison Hospital Breast Centers.

This year, your support will help bring a new Envision Mammography Platform to Huntsville Hospital Breast Center — the first in Alabama! This advanced 3D technology will improve image quality, patient comfort and accessibility, helping ensure more accurate diagnoses. Thank you for making this possible!

You will not be considered an official participant or scored after you cross the finish line unless you are wearing your runner number with B-Tag. Your runner number must be visible and **pinned to the front** of your shirt or shorts so it can be seen by race volunteers.
- Verify your name is printed on your race bib, and that all information is correct. If not, report to the late packet pick-up table at the green Huntsville Hospital Foundation tent in Tent Village.
- Please do not cut, tear or fold your race bib.
- Use the pin holes. Please do not pin through the B-Tag on the back of your number.
