

Two hospital leaders plan to leave a legacy

Madison Hospital President Mary Lynne Wright and Huntsville Hospital President & Chief Operating Officer Tracy Doughty have given their entire careers to health care. Another thing they share in common that is worth celebrating – **both of these incredible leaders have made planned gifts that will continue meeting our not-for-profit hospitals' needs long after they are gone.** A gift like Mary Lynne and Tracy's costs nothing now, but can make a huge impact for the future of our Huntsville Hospital Health System hospitals and communities.

To read the full article on their generosity and to learn more about our planned giving program, click [here](#).

Make Music Day

Make Music Day 2023 is fast approaching, and your help is needed!

The music therapy department is looking for musicians and bands to play at select locations around the hospital on June 21st, 2023 for Make Music Day. Performers will need to bring a 30 minute selection of family appropriate music, your own instruments (if applicable), and be prepared to have a great time! Interested in participating? **Please email an audition video via a YouTube link to the music therapy department at music.therapy@hhsys.org.** Feel reach to reach out if you have additional questions. We look forward to seeing you at Make Music Day!

Out and about with the Lifesaver Club

The Lifesaver Club had a busy winter quarter with a successful uniform sale, fun morale boosts and amazing equipment and program funding. Check out some of the fun photos from these recent events...

The February uniform sale **raised nearly \$20,000 for the HH Parkinson's Clinic and Chaplaincy program.** Thank you to those that shopped local to support our hospitals!

Employees from the Cochran Center and the Central Business Office enjoyed fun snacks and gifts by visiting the Lifesaver Club "pop-up" at their buildings in February. **Look for the spring "pop-up" location on the next page!**

Endoscopy, Madison OB and ED Pharmacy show off their **new equipment funded directly by employee donations to the Lifesaver Club.** Thank you!!

Don't miss this year's Huntsville Classic!

Click [here](#) to purchase your tickets!

Country music superstar Martina McBride will perform at Huntsville Hospital Foundation's 34th annual Huntsville Classic this May! The concert will be held on Saturday, May 20, 2023, at the Orion Amphitheater. The money raised through the 2023 Classic concert will benefit Huntsville Hospital's Heart Center through Huntsville Hospital Foundation. Proceeds will help fund a second dual-source cardiac CT scanner that will reduce patient wait times for diagnostic scans from two months to an anticipated two weeks. This investment will truly be lifesaving for men and women right here in Madison County and from across our region! **By purchasing a concert ticket, you are helping ensure our heart patients can receive the essential care they need, when they need it.**

Upcoming fundraisers

Huntsville Classic

Saturday, May 20
Orion Amphitheater
Benefiting the HH Heart Center

Lifesaver Club Uniform Sale

June 6- 8
HH Main
Benefiting the HH Chaplaincy Program

Swing "Fore" Children with Cancer

Monday, June 19

Pediatric Oncology patients & families

Miracle Bash

Friday, August 4
Benefiting the Women & Children's
Neonatal ICU patients & families

Support the HH Chaplaincy Program

Did you know? **You can now support the Chaplaincy program through Lifesaver Club giving.** This program provides spiritual care and support for hospital employees as well as for patients and their families.

Interested in supporting this program to help continue this great resource for our co-workers and patients? Click [here](#) to visit the Lifesaver Club online membership form to start your giving or to re-designate your current donation.

Mark your calendars...

Each newsletter we will be revealing a different location for a fun pop-up sponsored by the Lifesaver Club. The treats and locations will vary each quarter, so pay close attention!

The next pop-up is ...

Monday, April 24
Plaza Resource Center
10:30a.m. - 11:30a.m.

Employees in Plaza and surrounding buildings are welcome to stop by the lobby for a special treat while supplies last!

Recently funded equipment for our hospitals

The HHF Board of Trustees recently approved funding for these top-priority needs, made possible by generous Lifesaver Club & HHF donations. Do you work in one of these departments? **We would love to see a photo of you and your co-workers with your new equipment!**
